Dances will be walked-through briefly and prompted. Attendees are expected to know basic ECD figures, and to dance without needing assistance from others. Registrations will be accepted in the order received without regard to gender. Multiple individuals at the same address may register on one form. Acceptances, dance instructions, and directions will be sent via email. Formal, period, or fancy attire appropriate. Contributions of refreshments for the break are welcome.

Friends, the Elm City Ball has had difficulties in the last few years meeting expenses with our registration fees. Rather than raise the fee higher to the disadvantage of lower income attendees, we are requesting from any who can afford it & cherish this dance, voluntary donations to help keep us going. Thank you to all.
